Re: Appeal No. 8-0905

Dear Mr. Weberman:

You appealed from the action of the Federal Bureau of Investigation on your request for access to records pertaining to Aron Morton Kay maintained in the New York Field Office.

As a result of discussions between Bureau personnel and members of my staff, a supplemental release of records either has been or will soon be made to you directly by the F.B.I. In light of this fact and after careful consideration of your appeal, I have decided to affirm the modified action in this case. Mr. Kay is not the subject of any New York Field Office file which was not reported to F.B.I. Headquarters, but is alluded to briefly in two files, the subjects of which are other individuals or organizations. You are being furnished only the portions of those files which pertain to him.

Certain of the materials pertaining to Mr. Kay are classified and I am affirming the denial of access to them on the basis of 5 U.S.C. 552(b)(1). These materials have been referred to the Department Review Committee for review and determination whether they warrant continued classification under Executive Order 12065. You will be notified if the Committee's final decision results in the declassification of any information. Other materials were properly withheld from you pursuant to 5 U.S.C. 552(b)(7)(C) and (7)(D). These pertain to investigatory records compiled for law enforcement purposes, the release of which would, respectively, constitute an unwarranted invasion of the personal privacy of third parties, in some instances by revealing an investigative interest in them on the part of the F.B.I., and disclose the identities of confidential sources. Names of Bureau agents and other government personnel were also excised on the basis of 5 U.S.C. 552(b)(7)(C). None of the material being withheld is appropriate for discretionary release.

Investigation developed the identity of the individual as ARON MORTON KAY. A misdemeanor warrant was obtained by the LAPD on 6/29/70, charging KAY with violation of the California Military and Veterans Code, Section 614. KAY was arrested by the LAPD on 8/2/70, appeared in Los Angeles Municipal Court (LAMC) 8/3/70, and pleaded not guilty. He appeared in LAMC on 8/17/70, at which time his trial was set for 8/26/70, in Division 35, LAMC. Reviews of records of LASO and LAPD as well as LAMC are set forth. Records of Los Angeles City Attorney's Office reflect KAY appeared in Division 35A of LAMC on 8/26/70, and pleaded nolo contendere to a charge of 415 PC (Disturbing the Peace) and the charge of violation of 614 Section D, California Military and Veterans Code was dismissed. KAY paid a fine of \$50 plus \$15 Court cost in lieu of five days in the County Jail.

LA 180-64

DETAILS:

Investigation was initiated in this matter upon receipt of information from SA [REDACTED], who advised that he attended a public rally at the Embassy Auditorium, Los Angeles, California, on June 13, 1970, sponsored by the Committee United for Political Prisoners. SA [REDACTED] observed an individual described as a white male, approximately 6' tall, 200 pounds, 22-24 years of age, wearing levi pants and a levi jacket, stood up in his seat and removed an American flag approximately eight inches by ten inches from his right arm. This individual held the flag in full view of the audience and set fire to it. As the flag began to burn he moved from his seat to the aisle and the burning flag dropped to the aisle of the auditorium. At this point monitors of the rally extinguished the fire and forcibly evicted the individual from the auditorium.

Subsequent investigation developed the identity of the individual as ARON MORTON KAY.

A misdemeanor warrant was obtained by the Los Angeles Police Department (LAPD) on August 2, 1970, charging KAY with violation of California Military and Veterans Code, Section 614.

KAY was arrested by the LAPD on August 2, 1970, appeared in Los Angeles Municipal Court (LAMC) on August 3, 1970, and pleaded not guilty. He appeared for trial setting in LAMC on August 17, 1970, and the trial was scheduled for August 26, 1970.

A review of the records of the LAPD, Identification Division on August 31, 1970, by SC [REDACTED] reflects ARON MARTIN KAY, 1076 South Crescent Heights, Los Angeles, California, was arrested by the LAPD on August 2, 1970, for violation of 614 Section D, California Military and Veterans Code, LAPD Booking Number 1207076, LAPD Number 950867K.

He was described as follows:

LA 180-64

Name	ARON MARTIN KAY
Nickname	Morton
Race	White
Sex	Male
Date of Birth	November 14, 1949
Place of Birth	Winnipeg, Canada
Height	5'11"
Weight	190
Hair	Brown
Eyes	Hazel
Miscellaneous	Member Green Power
Occupation	Social Worker
In Case of Emergency Notify:	MORRIS KAY Telephone 935-1584

He was arrested under LAPD Warrant Number 362505.

A review of the records of the Los Angeles County Sheriff's Office (LASO), Identification Division, on August 31, 1970, by SC [REDACTED] reflected no additional information concerning KAY.

A review of the records of LAMC on September 1, 1970, by SC [REDACTED] reflected no information concerning KAY.

A review of the records of the Los Angeles City Attorney's Office, 205 South Broadway, Los Angeles, California, on September 17, 1970, reflected that ARON MORTON KAY appeared in LAMC, Division 35A, on August 26, 1970, under LAMC Case Number 362405, at which time he pleaded nolo contendere to a charge of violation of 415 PC (Disturbing the Peace) and the charge of violation of 614 Section D, California Military and Veterans Code was dismissed. These records reflected that he was given a choice of paying \$50 plus Court costs for serving five days in the County Jail.

On September 28, 1970, records of LAMC, Division 35A, were reviewed under Case Number 362505, Misdemeanor Calendar #40, and they reflect that KAY paid a fine of \$50 plus Court costs of \$15 for a total of \$65. In addition,

LA 180-64

it was ascertained that the City Attorney's Office had requested that KAY be charged with the violation of 415 PC (Disturbing the Peace) in lieu of the 614 California Military and Veterans Code charge due to the fact that the evidence was destroyed at the time of the violation and it was felt that successful prosecution could be obtained under the 415 PC violation:

ARON MORTON KAY was arrested by the Los Angeles Police Department under warrant number 362505 on August 2, 1970. KAY paid a fine of \$50 plus court costs of \$15 for "Disturbing the Peace". That charge was subsequently dropped.

On June 13, 1970, a Special Agent of the Federal Bureau of Investigation attended a rally at the Embassy Auditorium, 847 South Grand Avenue, Los Angeles, California, which was sponsored by the CUPP. A male Caucasian later identified as ARON MORTON KAY was observed removing an American flag from his right arm, where it had been tied in armband fashion, and set fire to it. HUEY NEWTON is a Black Panther member, arrested by police at Oakland, California. The arrest was used by various groups as a display of racism and political imprisonment.

SDS was founded during June 1962; at Port Huron, Michigan, and in the 1960s functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy" SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated with SDS. The WSA continues to use the name SDS and maintains its national headquarters in Boston, Massachusetts.

Weatherman, formerly a faction of Students For a Democratic Society, controlled the SDS National Office from June 1969 until its closing in February 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage", with police and military installations designated as primary targets.

Worker Student Alliance (WSA), a faction of SDS, was expelled from SDS in June 1969, by the then dominant Weatherman faction but continued to use the name SDS and opened an office in Boston, Massachusetts, where its current headquarters are located. WSA is aligned ideologically with the Progressive Labor Party (PLP). Its official publication is "New Left Notes".

LA 100-79337

The RYM, a pro-communist revolutionary youth organization, was organized in 1969, first as a faction within the Students for a Democratic Society, than as a separate group with headquarters in Atlanta, Georgia. RYM was unsuccessful in attracting support and by mid-1970, it was practically defunct.

The Los Angeles Progressive Labor Party (LAPLP) is affiliated with the National PLP and maintains an office at 3406 West Washington Boulevard, Los Angeles. The aims and purposes of the LAPLP are identical with those of the National PLP. PLP is a revolutionary Marxist-Leninist organization based in New York City.

This investigation is based on information which indicates that the subject is engaged in activities which could involve violations of Title 18, United States Code, Section 2383 (Rebellion or insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating overthrow of the Government), and 2101 (Antiriot laws).

Information received from reliable sources at Los Angeles, California indicates ARON MORTON KAY is a member of the Youth International Party (YIP).

Youth International Party (YIP) came into existence in 1968 for the purpose of staging a massive youth festival in late 1968 in Chicago, Illinois, to coincide with Democratic National Convention (DNC). Leaders, in its early history, included Jerry Clyde Rubin and Abbott Howard Hoffman, both of whom were convicted (later overturned by United States Court of Appeals) of violation of the Antiriot Laws during disturbances at the above 1968 DNC. In 7/70, YIP distributed "YIP Manifesto," which was basically an antiestablishment, revolutionary pronouncement urging the youth of the United States to repudiate competitive enterprise and established institutions in favor of creating a utopian socialistic society permitting complete individual freedom of choice. Since its inception, when issues of considerable radical-revolutionary interest have arisen, YIP has demonstrated its ability to assemble large numbers of zealous individuals for demonstrations and protests, a number of which have resulted in violence and arrests. During a public speech in 4/72, when referring to the then forthcoming national political conventions, YIP leader Rubin stated "We will dump the convention into the sea and use other methods than the electoral process to change the United States of America." Irvin Dana Beal, leading YIP theoretician and current YIP national leader, stated on 7/14/73, "Everywhere that the fascist pig Nixon shows his face, we will confront him but not necessarily in a non-violent way." On 7/6/73, BEAL was described as having a propensity for instigating and directing revolutionary acts of violence.

LA 100-76191

Apparently because of prosecutive action taken against RUBIN and HOFFMAN (who have drifted away from the YIP) and others including BEAL, YIP leaders are currently avoiding flamboyant revolutionary public statements. The organization continues, however, to engage in demonstrations during which individual YIP anarchistic activists and leaders advocate violent actions and confrontations with authorities in an attempt to build revolutionary fervor among young people. Examples of this activity took place during the 8/72 Republican National Convention (RNC) and the 7/4/73 YIP demonstration in Washington, D.C. During the RNC, THOMAS KING FORCADE and CINDY ELIZABETH ORSTEEN, then members of a YIP faction calling itself YIP-Zippie, were arrested on 8/23/72 in Miami Beach, Florida and charged with violation of National Firearms Act for possession, unlawful manufacture and nonregistration of fire bombs. Trial Judge subsequently rendered a directed verdict of acquittal in this matter based on the ground that no reasonable interpretation could be made bringing the evidence within the scope of the National Firearms Act. YIP is currently headquartered in New York.

Hands, most of them, are out against the Disarmament and Ship Conference, and a lot of it. This movement is being carried out by the FBI in the name of "national security." On publication being subjected to counterinsurgency, is the YIPSTER TIMES, a national newspaper out by the Youth International Party (Yippies).

YIPSTER TIMES started in 1972 when some Yippies decided to keep the ship going after the Miami Conference. From the start, YT has been used as an organizing tool for YIP chapters and actions; the January 1973 issue primarily organized forces to demonstrate at the inauguration with a "rat trial" of Adolf Hitler. The FBI by that time was already into full swing, pulling off their "national security" inquiries. For example, they visited two others in Columbus, Ohio, a week prior to the action and I was one of the persons they inquired about. We had a conference there and I hitched in from L.A. for it. I guess they freaked out 'cause I have a past history of being a "troublemaker" (according to the L.A. Red Squad).

During the spring and summer of '73, the FBI was going to the doors of YT subscribers, inquiring as to the desire for the paper, where is Bernadine Doherty or other Weatherpeople, etc. They even stooped so low as to ask YT readers to report any attempts that YIP members to contact them to the FBI. During that same period, we learned that our phones were on tap (command (the

phone of ... FBI ... National ... and came to the window. They used the excuse that they were looking for a fugitive and of course we didn't help them any. They even got a neighbor to let them set up a surveillance post across the street. When I was organizing for the July 4th Smoke-In and Impact! March in D.C., the FBI visited members in Virginia and they even had a car stationed near the house where the party were being made. After the Smoke-In, they began to go all out. People in Ohio, Pennsylvania, Washington (State), Georgia, Florida, etc., were getting the FBI knocking on freedom's door to find out "what's cooking."

Within a few weeks after I returned to L.A. from the Smoke-In, I ran into a brother down in Venice Beach and he tipped me to the fact that the FBI got his name from a mailing list and inquired about me. They also asked him to infiltrate another radical group. Of course, he refused. Then other people told me of similar occurrences and I began to freak out over this. Soon it was time for me to return to NYC and I got word two weeks later that they visited a friend and they asked whether I "was into weapons" and dumb questions about the paper. They also contacted a woman friend and they were trying to pry all they could out of her, threatening, "We can make your life miserable for you and we can bug your phone."

[CONT. ON 32]

etc." She told them to "go get laid." All this for "national security."

YIPSTER TIMES readers have also reported receiving mail that was opened by the feds and at least one chapter has received their bundle of papers with the box torn open. It seems like the Huston Plan for intensive surveillance is in force "unofficially." Like the harassment drove some off our mailing list and re-informed the idea that YIPSTER TIMES IS A THREAT TO "NATIONAL SECURITY."

In the upcoming issue, YT will present an exclusive article that may be the story of the century! We located pictures of Howard Hunt, Frank Sturgis and the Oswald double in Dallas on November 22, 1963--the scene of the JFK assassination. The three alleged assassins were picked

up by the cops near the railroad tracks adjacent to Dealey Plaza. They were picked up as possible suspects, in the attire of that of the burns. When they were taken to the police station, they were cut loose. The source of the photographs came from the DALLAS TIMES-HERALD and the FORT WORTH TELEGRAM, both dated November 23, 1963.

If you want to know more about the Dallas Trial and news that no other paper will print, you can get a free copy of YIPSTER TIMES by writing to Box 392, Canal Street Station, New York, N.Y. 10013. Donations are highly ap-

preciated if possible, help us sue the FBI for harassment of our readers.

ENCLOSURE

Aron Morton Kay

The YIP, also known as Yippies, is a loosely-knit, anti-establishment, violence-prone youth organization formed in New York City, in January, 1968. In May, 1972, a small faction calling itself YIP-Zippie came into being, but currently does not exist as an organized faction of YIP

The subject has been eating at A. J. Weberman's residence, 6 Bleecker Street, New York City, but resides with Dana Beal at 9 Bleecker Street, New York City.

NY T-1
May 20, 1974

A. J. Weberman, although not considered a public leader of YIP, is very influential in YIP policy making. Weberman is the person primarily responsible for the YIP publication, "Yipster Times".

NY T-1
May 22, 1973

ACTIVITIES

Volume 1, number 8 issue of the "Yipster Times" contained an article on page 2 entitled "September 1, 1973, New York Enacts One of the Toughest Marijuana Laws in this Country", which states that Aron Kay sells the "Yipster Times" on the streets of many American cities. According to the article, Kay was then operating out of New York City where he sells papers at the Port Authority Terminal each day.

In February, 1974, the subject indicated he was helping out with "Yipster Times", the official publication of the YIP.

NY T-3
February 1, 1974

Aron Morton Kay

In April, 1974, information was received indicating the subject is associated with the YIP in New York City.

NY T-1
April 11, 1974

NY T-4
April 15, 1974

On April 21, 1974, the subject sold the "Yipster Times" in Central Park, New York City. It was learned that he planned to travel to Washington, D.C. with other YIP associates to participate in a demonstration on April 27, 1974, which is sponsored by the National Campaign to Impeach Nixon (NCIN).

NY T-1
April 22, 1974

The NCIN is headquartered at 1404 M Street Northwest, Washington, D.C. The main aim of the organization is to gather support for the impeachment of President Nixon.

On the morning of April 27, 1974, the subject was among the speakers at the YIP demonstration which was held on the South Ellipse, Washington, D.C., who urged new elections, contending the 1972 Presidential election was a fraud.

NY T-3
May, 1974

At 4:00 p.m. on May 18, 1974, the YIP celebrated the Third Annual National Marijuana Day in Central Park, New York City. A rally was held and the subject, along with Dana Beal, spoke concerning the legalization of marijuana, the corrupt United States Government, and the indictment of former Attorney General Richard

Aron Morton Kay

KleinDienst. The subject stated that there should be free pot for "children and pigs". At about 6:00 p.m. the subject and an unknown high school boy led about 300 YIP followers from Central Park to 2 East 67th Street, New York City, the residence of Harold Jardine, an executive of International Telephone and Telegraph Company (ITT). Several people yelled for Jardine to come out and face the crowd and accused Jardine of being a killer because he was working for ITT. A sit-in demonstration was initiated; however, the subject agreed to move on at the request of the police. The YIP followers then marched to the residence of New York Attorney Roy Cohn on East 69th Street, New York City, where they screamed for Cohn to come out, stating that he killed Ethel and Julius Rosenberg, since he assisted in the prosecution of the Rosenbergs in their espionage trial. The demonstration at Cohn's residence lasted about five minutes, when the police arrived and arrested the subject and an unknown YIP follower and placed them in a police van and drove off.

NY T-1
May 20, 1974

On May 21, 1974: [REDACTED]

[REDACTED] New York City Police Department (NYCPD), advised no record could be located of an arrest of the subject or others by the 19th Precinct, NYCPD, on May 18, 1974, in the vicinity of demonstrations held by the YIP on that date. He stated the individuals allegedly picked up were not booked and were probably dropped off a few blocks from the demonstration.

On May 26, 1974, the subject was among approximately 15 Yippie followers who demonstrated from about 1:00 p.m. to 3:00 p.m. across the street from Mt. Sinai Hospital at 103rd Street and Fifth Avenue, New York City, against the visit of Vice President Gerald Ford. The Yippies demanded new and free elections.

A review has been made of the nine (9) enclosures to NY's FD-128, referenced above. The information contained therein and the information in Los Angeles files relating to subject KAY would not appear to warrant his inclusion in the ADEX, so he will not be recommended for such inclusion.

Re: Appeal No. 8-0986

Dear Mr. Weberman:

You appealed on behalf of Aron M. Kay from the action of the Federal Bureau of Investigation on his request for access to records pertaining to himself maintained in its Los Angeles Field Office.

As a result of discussions between Bureau personnel and members of my staff, a supplemental release of records either has been or will soon be made to you directly by the F.B.I. In light of this fact and after careful consideration of your appeal, I have decided to affirm the modified action in this case.

Mr. Kay is the subject of one Los Angeles Field Office main file -- Security Matter -- from which the Field Office processed only those documents not previously reported to Bureau Headquarters. Mr. Kay is also alluded to briefly in two files, the subjects of which are other individuals or organizations. In these latter instances, Mr. Kay was furnished only those portions of the files which pertain to him.

Two pages of the materials pertaining to Mr. Kay are classified and I am affirming the denial of access to them on the basis of 5 U.S.C. 552(b)(1). These materials have been referred to the Department Review Committee for review and determination whether they warrant continued classification under Executive Order 12065. You will be notified if the Committee's final decision results in the declassification of any information. Other materials were properly withheld from him pursuant to 5 U.S.C. 552(b)(7)(C) and (7)(D). These pertain to investigatory records compiled for law enforcement purposes, the release of which would, respectively, constitute an unwarranted invasion of the personal privacy of third parties by revealing an investigative interest in them on the part of

the F.B.I. and disclose the identities of confidential sources. Names of law enforcement and other government personnel were also excised on the basis of 5 U.S.C. 552(b)(7)(C). None of the material being withheld is appropriate for discretionary release.

Please be advised that a review of the Bureau's Electronic Surveillance Index disclosed no reference to Mr. Kay. The documents pertaining to Mr. Kay, including the materials withheld from release, contain no references to the "pie-throwing" incident mentioned in your letter of May 12, 1978, nor do they contain evidence of any visits by the Field Office to Mr. Kay's parents or friends.

Judicial review of my action on this appeal is available to your client in the United States District Court for the judicial district in which he resides or has his principal place of business, or in the District of Columbia, or in the Central District of California, which is where the records he seeks are located.

Sincerely,

Michael J. Egan

F.B.I.

by Aron Kay

Harassment of those who speak out against the Nixon dictatorship continues even after Watergate. This harassment is being carried out by the FBI in the name of "national security." One publication being subjected to counterinsurgency is the YIPSTER TIMES, a national paper put out by the Youth International Party (Yippies).

YIPSTER TIMES started in 1972 when some ex-Zippies decided to keep the trip going after the Miami Conventions. From the start, YT has been used as an organizing tool for YIP chapters and actions; the January 1973 issue primarily organized free to demonstrate at the Inauguration with a "rat float" of Adolf Nixscum. The FBI by that time was already into full swing, pulling off their "national security" inquiries. For example, they visited two brothers in Columbus, Ohio, a week prior to the action and I was one of the persons they inquired about. We had a conference there and I hitched in from L.A. for it. I guess they freaked out 'cause I have a past history of being a "troublemaker" (according to the L.A. Red Squad).

During the spring and summer of '73, the FBI was going to the doors of YT subscribers, inquiring as to the desire for the paper, where is Bernadine Dohrn or other Weatherpeople, etc. They even stooped so low as to ask YT readers to report any attempts that YIP makes to contact them to the FBI. During that same period, we learned that our phones were on telecommand (the

phone on the hook can be turned into a live bug by the pigs externally) and our N.Y. office got visited by the FBI two days after National Marijuana Day with a march on John and Martha Mitchell's house (they were home and came to the window). They used the excuse that they were looking for a fugitive and of course we didn't help them any. They even got a neighbor to let them set up a surveillance post across the street. When YIP was organizing for the July 4th Smoke-In and Impeach Nixon March in D.C., the FBI visited members in Virginia and they even had a car stationed near the house where the props were being made. After the Smoke-In, they began to go all out. People in Ohio, Pennsylvania, Washington (State), Georgia, Florida, etc., were getting the FBI knocking on freedom's door to find out "what's cooking."

Within a few weeks after I returned to L.A. from the Smoke-In, I ran into a brother down in Venice Beach and he hipped me to the fact that the FBI got his name from a mailing list and inquired about me. They also asked him to infiltrate another radical group. Of course, he refused. Then other people told me of similar occurrences and I began to freak out over this. Soon it was time for me to return to NYC and I got word two weeks later that they visited a friend and they asked whether I "was into weapons" and dumb questions about the paper. They also contacted a woman friend and they were trying to pry all they could out of her, threatening, "We can make your life miserable for you and we can bug your phone."

[CONT. ON 32]

etc." She told them to "go get laid." All this for "national security."

YIPSTER TIMES readers have also reported receiving mail that was opened by the feds and at least one chapter has received their bundle of papers with the box torn open. It seems like the Huston Plan for intensive surveillance is in force "unofficially." Like the harassment drove some off our mailing list and reinforced the idea that YIPSTER TIMES IS A THREAT TO "NATIONAL SECURITY."

In the upcoming issue, YT will present an exclusive article that may be the story of the century! We located pictures of Howard Hunt, Frank Sturgis and the Oswald double in Dallas on November 22, 1963--the scene of the JFK assassination. The three alleged assassins were picked

up by the cops near the railroad tracks adjacent to Dealey Plaza. They were picked up as possible suspects, in the attire of that of the bums. When they were taken to the police station, they were cut loose. The source of the photographs came from the DALLAS TIMES-HERALD and the FORT WORTH TELEGRAM, both dated November 23, 1963.

If you want to know more about the Dallas Trio and news that no other paper will print, you can get a free copy of YIPSTER TIMES by writing to Box 392, Canal Street Station, New York, N.Y. 10013. Donations are highly ap-

(Mount Clipping in Space Below)

I cannot express the outrage I feel about the manager of KPFFK being jailed for refusing to relinquish the SLA tape to the FBI. This action is indicative of the government's pervasive attitude that it should control the news media and suppress public access to information.

It is my opinion that the media should be responsible to the public, not to the government. Why should any of us divulge information to or invest any trust in the federal authorities? They are free to keep files on all of us, yet we are powerless in our attempts to obtain information from them. Before this country evolves from an authoritarian state to a totalitarian state, we must raise public outcry to free Will Lewis and abolish the FBI.

During the late afternoon of Thursday, February 27, 1975, subject ARON MORTON KAY, telephonically called the writer to inquire as to whether or not I had been out attempting to interview him earlier in the day. He said he understood "You have had my file in the past."

The writer has not attempted to interview KAY; and has no idea where he got my name. He also explained that he had been in the office in the early afternoon and inquired of SA [REDACTED] if he knew who had been out in an attempt to interview KAY. The results of his inquiry at that time were negative.

KAY said he had been home (at his parents house) at the time a tall blond SA of the FBI came to the house and wanted to talk with him. He said "I refused to talk with him because I was really freaked out at the time." He said also his mother was the only other person in the house with him at the time and he did not want to have her become overly alarmed. He said, "I have been active in radical movements, maybe that's why they want to talk to me."

The writer advised KAY that at no time had he ever come to his house in an attempt to interview him, much less had he contacted KAY earlier that same day. KAY refused to furnish his home address or telephone number, saying he did not want to be contacted at his home; and that he had already furnished that information to some other SA of the Los Angeles Division of the FBI over the telephone earlier in the day.

ACTION: KAY is the subject of two closed cases in the Los Angeles Division; 180-64; and 100-76191. There is nothing in the indices to indicate why anyone from this office would be attempting to interview him at this time. Since NY is OO in the 100 matter, it is recommended that this case be reopened and assigned to have NY submit FD-128.

YOUTH INTERNATIONAL PARTY
ROCK CONCERT, AREA OF
MANASSAS, VIRGINIA
MAY 13, 1973

On May 14, 1973, [REDACTED]
Prince William County, Virginia, Police Department,
Manassas, Virginia, furnished the following information
concerning a rock concert held on Sunday, May 13, 1973,
sponsored by the Youth International Party (YIP).

The Youth International Party (YIP), also
known as Yippies, is a loosely knit, anti-
establishment, revolutionary youth organization
formed in New York City in January, 1968.

[REDACTED] stated that on May 9, 1973, the
Prince William County Park and Recreation Office issued a
permit for the use of a county park to Wanda Mauck, 9228
Aspen Place, Manassas, Virginia, at her request for a
rock concert to be held on May 13, 1973.

Subsequent to issuance of the permit, [REDACTED]
[REDACTED] obtained copies of a flyer which had been handed out
in the Manassas area publicizing the concert. This flyer,
captioned "Free the Prisoners of the Weed" and noted as being
put out by YIP, stated the reason for the concert was to raise
money for legal defense of approximately 60 individuals who had
been arrested in a police narcotics raid in Prince William
County, Virginia, on March 30, 1973. The flyer went

on to denounce police authorities for enforcing marijuana laws and extolled marijuana as a "harmless weed," the possession or use of which should not be considered a crime. It called for a distinction to be made between marijuana use and U. S. involvement in Southeast Asia, the Watergate Incident, and the transporting of "heroin from Southeast Asia via CIA and Ameika." It also called for a march on the county jail to protest the narcotics arrests of several weeks prior.

[REDACTED] advised that in view of the stated purpose of the concert, the Park and Recreation Department cancelled the permit on Friday, May 11, 1973.

[REDACTED] stated that on Saturday evening, May 12, 1973, he met with representatives of YIP, identified as Dale Mauck and James Freeman Rector, who were accompanied by unidentified females, and they discussed holding the concert. Mauck and Rector told [REDACTED] that the concert was going to be held on private property where no permit was necessary and that the YIP officials there would be either themselves or Josh Bowers and Mike Meredith.

[REDACTED] learned the next day, Sunday, May 13, 1973, that Mauck, Rector, and the two females had obtained permission to use private property near Nokesville, Virginia, a few miles south of Manassas and at approximately 1:00 P. M., May 13, 1973, the concert began, with about 250 people in attendance.

By about 3:00 P. M., police had received so many complaints from residents in the area concerning the noise and conduct of those in attendance that approximately 60 county and Virginia State Police Officers arrived at the scene. By approximately 5:00 P. M. the concert was over and most of the participants had left the area.

[REDACTED] advised that the dispersal was accomplished without major incident considering the number of people in the area but there were several minor incidents involving a few of the leaders which resulted in the arrests of two adults and several minors on charges ranging from disorderly conduct to operating a music festival without a permit. There were no narcotics arrests.

Dear Mr. Weberman:

You appealed on behalf of Mr. Aaron Morton Kay from the partial denial by Mr. Allen H. McCreight of Mr. Kay's request for access to Bureau records pertaining to himself. Bureau records concerning Mr. Kay which are maintained in both his name and the name of the Youth International Party were processed pursuant to this request.

As a result of your appeal, the Bureau will now release additional information. The symbols and file numbers assigned to Bureau sources, the names of federal and local government employees, and personal information about third parties which has no apparent connection with Mr. Kay will continue to be withheld. 5 U.S.C. 552(b)(2) and (7)(C). Classified information, identities of confidential sources and the description of an investigative technique will also continue to be withheld. 5 U.S.C. 552(b)(1), (7)(D) and (7)(E). The classified information has been reviewed by the Department Review Committee in accordance with 28 C.F.R. 16.10 and found to warrant continued classification under Executive Order 11652.

There are no reasonably segregable, nonexempt portions of the withheld information that can be released and no discretionary release is appropriate.

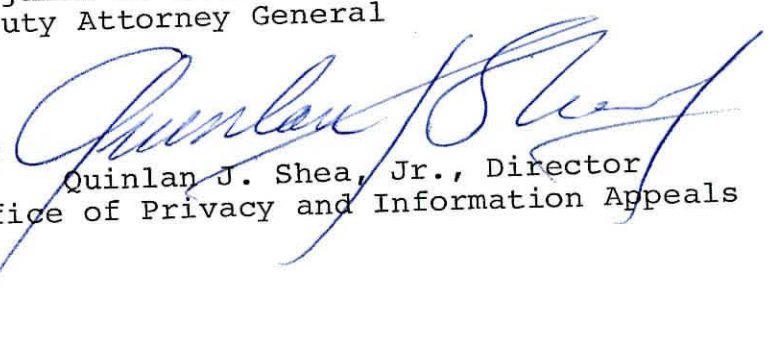

I want to advise you that Mr. Kay's "rap sheet" does not appear in the records that have been processed pursuant to his request. He may, however, obtain that document, if it exists, by following the procedures set forth in the enclosure. I also want to advise you that the Bureau records which have been processed do not contain any references to "pieing escapades", Bureau agent visits to Mr. Kay's friends, or electronic surveillance pertaining to Mr. Kay. I hope this information is helpful.

Judicial review of my action on this appeal is available to your client in the United States District Court for the judicial district in which he resides or has his principal place of business, or in the District of Columbia, which is also where the records he seeks are located.

Sincerely,

Benjamin R. Civiletti

Enclosure

[Order 556-73]

PART 16—PRODUCTION OR DISCLOSURE OF MATERIAL OR INFORMATION**Subpart C—Production of FBI Identification Records in Response to Written Requests by Subjects Thereof**

By order dated September 24, 1973, the Attorney General of the United States directed that the Federal Bureau of Investigation, hereinafter referred to as the FBI, publish rules for the dissemination of arrest and conviction records to the subjects of such records upon request. This order resulted from a determination that 28 U.S.C. 534 does not prohibit the subjects of arrest and conviction records from having access to those records. In accordance with the Attorney General's order, the FBI will release to the subjects of identification records copies of such records upon submission of a written request, satisfactory proof of identity of the person whose identification record is requested and a processing fee of five dollars.

Since the FBI Identification Division is not the source of the data appearing in identification records, and obtains all data thereon from fingerprint cards or related identification forms submitted to the FBI by local, state, and Federal agencies, the responsibility for authentication and correction of such data rests upon the contributing agencies. Therefore, the rules set forth for changing, correcting or updating such data require that the subject of an identification record make application to the original contributing agency in order to correct the deficiency complained of.

The relevant provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rule making, opportunity for public participation and delay in effective date are inapplicable because the material contained herein relates to the interpretation of 28 U.S.C. 534 as allowing the granting of an exemption to subjects of identification records and relief of prior administrative restrictions on dissemination of such records to them. Furthermore, it is deemed in the public interest that there be no delay in effective date of availability of identification records to the subjects thereof.

By virtue of the order of the Attorney General, dated September 24, 1973, and pursuant to the authority delegated to the Director, FBI by 28 CFR 0.85(b), Part 16 of 28 CFR Chapter I, is amended by adding the following new Subpart C:

§ 16.30 Purpose and scope.

This subpart contains the regulations of the Federal Bureau of Investigation, hereafter referred to as the FBI, concerning procedures to be followed when the subject of an identification record requests production thereof. It also contains the procedures for obtaining any change, correction or updating of such record.

§ 16.31 Definition of identification record.

An FBI identification record, often referred to as a "rap sheet," is a listing of fingerprints submitted to and retained by the FBI in connection with arrests and, in certain instances, fingerprints submitted in connection with employment, naturalization or military service. The identification record includes the name of the agency or institution which submitted the fingerprints to the FBI. If the fingerprints submitted to the FBI concern a criminal offense, the identification record includes the date arrested or received, arrest charge information and disposition data concerning the arrest if known to the FBI. All such data included in an identification record are obtained from the contributing local, State and Federal agencies. The FBI Identification Division is not the source of such data reflected on an identification record.

§ 16.32 Procedure to obtain an identification record.

The subject of an identification record may obtain a copy thereof by submitting a written request via the United States mails directly to the FBI, Identification Division, Washington, D.C. 20537, or may present his written request in person during regular business hours to the FBI Identification Division,

Washington, D.C. Such request must be accompanied by satisfactory proof of identity, which shall consist of name, date and place of birth and a set of rolled-inked fingerprint impressions taken upon fingerprint cards or forms commonly utilized for applicant or law enforcement purposes by law enforcement agencies.

§ 16.33 Fee for provision of identification record.

Each written request for production of an identification record must be accompanied by a fee of five dollars (\$5.00) in the form of a certified check or money order, payable to the Treasurer of the United States. This fee is established pursuant to the provisions of 31 U.S.C. 483a and is based upon the clerical time beyond the first quarter hour to be spent in searching, identifying and reproducing each identification record requested, at the rate of \$1.25 per quarter hour, as specified in § 16.9. Any request for waiver of fee shall accompany the original request for the identification record and shall include a claim and proof of indigency. Consideration will be given to waiving the fee in such cases.

§ 16.34 Procedure to obtain change, correction or updating of identification records.

If, after reviewing his identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, correction or updating of the alleged deficiency, he

must make application directly to the contributor of the questioned information. Upon the receipt of an official communication directly from the agency which contributed the original information the FBI Identification Division will make any changes necessary in accordance with the information supplied by the agency.

CLARENCE M. KELLEY,
Director,
Federal Bureau of Investigation.

Dear Mr. Weberman:

A review of the files of the New York Office (NYO) of the Federal Bureau of Investigation (FBI) has been completed pursuant to Mr. Aaron Kay's request. The request has been considered in light of the provisions of both the Freedom of Information Act (FOIPA) (Title 5, United States Code, Section 552) and the Privacy Act of 1974 (Title 5, United States Code, Section 552a). It has been determined by the Attorney General (AG) that requests by individuals seeking information about themselves are governed by the Privacy Act.

In addition, as the matter of administrative discretion, any documents which are found to be exempt from disclosure under the Privacy Act, will also be processed under the provisions of the FOIA. Through these procedures, Mr. Kay receives the greatest degree of access authorized by the law.

Enclosed is a copy of nine pages from these files which contain information identifiable with him. Excisions have been made from these pages in order to protect materials which are exempted from disclosure by the following subsections of Title 5, United States Code (USC), Section 552:

(b) (7) investigatory records compiled for law enforcement purposes, but only to the extent that the production of such records would constitute an unwarranted invasion of personal privacy or disclose the identity of a confidential source.

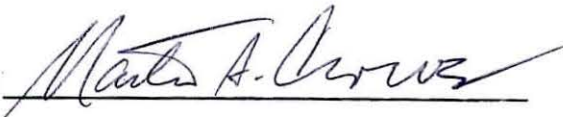

There are additional documents referencing you which have previously been reported to FBI Headquarters. FBI Headquarters previously processed your request and the information released included documentation from the investigation in New York.

You have 30 days from receipt of this letter to appeal to the AG for any denial contained herein. The appeal should be directed in writing to the Attorney General (Attention: Freedom of Information Appeals Unit), Washington, D.C. 20530. The envelope and the letter should be clearly marked, "Freedom of Information Appeal".

2. Many important documents are missing - for example at one point Agents approached my landlord at #6 Bleecker Street and showed him a photo of Kay and asked him if he had ever seen this "round-faced Jew" before. There are also no documents regarding his so-called "pie-missions" - in fact, his entire FBI ^{file} makes no reference to "pies" in any manner shape or form. Surely, the FBI has not overlooked this potential threat to National Security.

Dear Mr. Kay:

Receipt of your payment of fees as previously requested is acknowledged.

Your request for information concerning you has been considered in light of the provisions of both the Freedom of Information Act (FOIA) (Title 5, United States Code, Section 552) and the Privacy Act of 1974 (Title 5, United States Code, Section 552a). It has been determined by the Attorney General that requests by individuals seeking information about themselves are governed by the Privacy Act. In addition, as a matter of administrative discretion, any documents which are found to be exempt from disclosure under the Privacy Act will also be processed under the provisions of the FOIA. Through these procedures you receive the greatest degree of access authorized by both laws.

Enclosure I contains copies of the files maintained by the FBI in your name. Excisions have been made from these documents in order to protect materials which are exempted from disclosure by the following subsections of Title 5, United States Code, Section 552:

- (b) (7) investigatory records compiled for law enforcement purposes, the disclosure of which would:
- (C) constitute an unwarranted invasion of the personal privacy of another person;

Mr. Aron Morton Kay

- (D) reveal the identity of an individual who has furnished information to the FBI under confidential circumstances or reveal information furnished only by such a person and not apparently known to the public or otherwise accessible to the FBI by overt means;
- (E) disclose investigative techniques and procedures, thereby impairing their future effectiveness.

Enclosure II contains copies of documents in the Youth International Party (YIP) file where your name is indexed. Excisions have been made from these documents, and one document has been withheld in its entirety in order to protect materials which are exempted from disclosure by the following subsections of Title 5, United States Code, Section 552:

- (b) (1) information which is currently and properly classified pursuant to Executive Order 11652 in the interest of the national defense or foreign policy;
- (b) (7) investigatory records compiled for law enforcement purposes, the disclosure of which would:
 - (C) constitute an unwarranted invasion of the personal privacy of another person;
 - (D) reveal the identity of an individual who has furnished information to the FBI under confidential circumstances or reveal information furnished only by such a person and not apparently known to the public or otherwise accessible to the FBI by overt means.

In addition, information regarding other individuals has been deleted from the YIP documents since it does not pertain to you personally and, therefore, is considered to be outside the scope of your request.

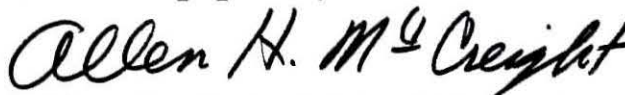

Mr. Aron Morton Kay

Should you desire a check of our field office files, you are advised that a listing of them as separate indices has been published in the Federal Register, Volume 42, Number 190 - Friday, September 30, 1977. It would be incumbent upon you to so designate your requests directly to them.

Thereafter, further effort will be made to locate, retrieve and process any such records.

You have thirty days from receipt of this letter to appeal in writing to the Deputy Attorney General, United States Department of Justice, Washington, D. C. 20530, (Attention: Privacy Appeal - Denial of Access).

HOWEVER, HE LEFT DOUBT AS TO EXACTLY AT WHICH BUILDING THE LAST RALLY WOULD BE HELD. HOWEVER, DUE TO THE LOCATION OF BOTH BUILDINGS, THE MARCH WILL PASS BOTH PRIOR TO ENTERING THE AREA OF THE MALL. FOLLOWING DISPERSAL AT THE MALL, YIP WILL BEGIN SETTING UP A STAGE AND SOUND SYSTEM FOR THE RALLY AND SPEECHES SCHEDULED FOR THE PERIOD 8:00 P.M. UNTIL 9:30 P.M. Your inquiry

The FBI Identification Division serves as a central repository for fingerprints and related data submitted by various law enforcement and other governmental agencies.

- ☐ The FBI is empowered to release to subjects of identification records copies of such records upon submission of a written request, together with a set of ten rolled-inked fingerprint impressions taken on a fingerprint card containing the individual's name and birth data. There is a required fee in the amount of \$5 for this service. Such fee must be submitted in the form of a certified check or money order, made payable to the Treasurer of the United States or the Federal Bureau of Investigation.
- ☐ Fingerprints not received.
- ☐ The required fee in the form of a certified check or money order not received.
- ☐ All data listed on an identification record is transcribed directly from fingerprint cards and related correspondence. Because of the voluminous nature of our identification files any request for the revision or removal of identification data including the posting of arrest disposition information must be accompanied by sufficient identifying data, such as FBI number or registry number, in order to insure location of the correct record in our files. It is necessary that all such requests emanate from the original contributor of fingerprints. This procedure provides authentication for the request, as well as positive identifying data which enables us to make the necessary changes in the particular arrest record. If you feel certain data in your identification record is incomplete or inaccurate, you may desire to communicate with the officials of the law enforcement agency which submitted the information to us as we will be pleased to comply with a request from them.
- ☐ All arrest data maintained in the identification files is supported by fingerprints which are an infallible means of identification.
- ☒ Enclosed herewith is a reprint of the regulations concerning the availability of FBI identification records, which was published in the Federal Register on November 28, 1973.
- ☒ As indicated in the enclosed Departmental Order, the required fee must be submitted in the form of a certified check or money order. Therefore, your check in the amount of \$5 is returned. Additionally, original inked finger impressions must be submitted for a search of our files. An applicant fingerprint card is enclosed for this purpose.

Dear Mr. Weberman:

You appealed on behalf of Mr. Aaron Morton Kay from the partial denial by Mr. Allen H. McCreight of Mr. Kay's request for access to Bureau records pertaining to himself. Bureau records concerning Mr. Kay which are maintained in both his name and the name of the Youth International Party were processed pursuant to this request.

As a result of your appeal, the Bureau will now release additional information. The symbols and file numbers assigned to Bureau sources, the names of federal and local government employees, and personal information about third parties which has no apparent connection with Mr. Kay will continue to be withheld. 5 U.S.C. 552(b)(2) and (7)(C). Classified information, identities of confidential sources and the description of an investigative technique will also continue to be withheld. 5 U.S.C. 552(b)(1), (7)(D) and (7)(E). The classified information has been reviewed by the Department Review Committee in accordance with 28 C.F.R. 16.10 and found to warrant continued classification under Executive Order 11652.

There are no reasonably segregable, nonexempt portions of the withheld information that can be released and no discretionary release is appropriate.

I want to advise you that Mr. Kay's "rap sheet" does not appear in the records that have been processed pursuant to his request. He may, however, obtain that document, if it exists, by following the procedures set forth in the enclosure. I also want to advise you that the Bureau records which have been processed do not contain any references to "pieing escapades", Bureau agent visits to Mr. Kay's friends, or electronic surveillance pertaining to Mr. Kay. I hope this information is helpful.

Re: Appeal No. 8-0986

Dear Mr. Weberman:

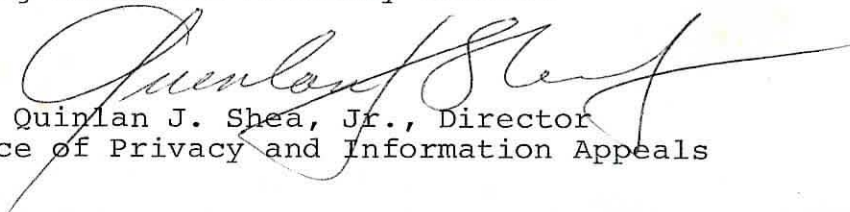

This is in further response to your appeal on behalf of Aron M. Kay from the action of the Federal Bureau of Investigation on his request for access to records pertaining to himself maintained in its Los Angeles Field Office.

As a result of discussions between Bureau personnel and members of my staff, the Bureau has agreed to declassify portions of one two-page document which was initially withheld. A supplemental release of those pages is enclosed. After careful consideration of your appeal, I have otherwise decided to affirm the action in this case. Certain of the materials pertaining to Mr. Kay are classified and I am affirming the denial of access to them on the basis of 5 U.S.C. 552(b)(1). The Department Review Committee has determined that these materials warrant continued classification under Executive Order 12065. Other materials were properly withheld pursuant to 5 U.S.C. 552(b)(7)(C) and (7)(D). These pertain to investigatory records compiled for law enforcement purposes, the release of which would, respectively, constitute an unwarranted invasion of the personal privacy of a third party and disclose the identity of a confidential source. Only the name of one Bureau agent was excised on the basis of 5 U.S.C. 552(b)(7)(C). None of the material being withheld is appropriate for discretionary release.

Judicial review of my action on this appeal is available to Mr. Kay in the United States District Court for the judicial district in which he resides or has his principal place of business, or in the District of Columbia, or in the Central District of California, which is where the records sought are located.

Sincerely,

John H. Shenefield

The remainder of the group handed out leaflets and listened to a few speeches by the participants. The group dispersed without incident or arrest about 12 noon. u

Shortly before 1:00 p.m., representatives of the FBI observed a group of about 15-20 members of the Second American Bonus March Coalition gathered in front of 1010 Vermont Avenue, N.W., WDC, where they handed out leaflets calling for a march on July 4, 1974. At this time, a group of about 25-30 members of the Vietnam Veterans Against the War/Winter Soldier Organization gathered at the Veterans Administration (VA), Vermont and I Streets, N.W., WDC where they held a rally. At about 1:30 p.m., a group of about 10 VVAW/WSO members entered the VA building while the remainder of the group continued the rally on the sidewalk outside of the building. The size of the group outside constantly grew to a size of about 75-100 participants at 3:15 p.m. u

A representative of the VA advised that 10 members of the VVAW/WSO pushed their way into the building and requested a meeting with the VA Administrator. However, the Veterans Administration agreed to meet with four of the members and consequently a meeting was arranged with the Deputy Administrator RICHARD L. ROUDEBUSH. At approximately 4:00 p.m., the group of VVAW/WSO members departed the area of VA following the meeting with the Deputy Administrator. u

On July 1, 1974, a representative of the United States Secret Service, WDC, advised that approximately 1:30 p.m. a group of about 19 members of the Second American Bonus March Coalition entered Lafayette Park where they walked around and then walked to the sidewalk in front of the White House. Officials from the VA Information Office met with the two individuals and a meeting was scheduled that date at 2:00 p.m. At the scheduled meeting, RON KOVIC of AVM and seven other AVM members met with officials of the Department of Veterans Benefits until about 3:30 p.m. The VA representative advised that no incidents occurred during the meeting. u

b7D [REDACTED] advised that the VVAW/WSO had centered all the participants on the mall area near 4th Street and that during the night hours the group would be sleeping in shifts and that should the group receive any questions from the Department of Interior or the U.S. Park Police, the group would wake up the other members and keep them moving around the area until U.S. Park Service officials left the area. While at the VA, VVAW/WSO members declared that the Interior Department during the morning hours that date had attempted to use the U.S. Park Police to evict the group at about 7:30 a.m. for violations of the permit issued the group, namely sleeping on the mall area. However, there was no confrontation and the Park Police did not evict any members of the group. Following the rally at VA, the group marched to Lafayette Park about 10:45 a.m. for a short rally, where they concentrated on their theme regarding the impeachment of President NIXON. Shortly after 11:00 a.m. the group began its march back to the mall area. u

At about 2:30 p.m., representatives of the FBI observed a group of about 200-250 VVAW/WSO members forming a march line in anticipation of their march to the Court of Military Appeals, 450 E Street, N.W., WDC. However, several members of the group painted a sign on each side of the entrance to the building which read as follows: "Universal Unconditional Amnesty-VVAW/WSO". Upon leaving the area of the Department of Justice, the group marched to the area of the U.S. District Court House, John Marshall Place, N.W. for a short rally. At approximately 12:45 p.m. the group began its march back to the mall area. u

At about 4:30 p.m. the group, after it had formed a march line, began to leave the camp site for the march to the U.S. Capitol. However, a confrontation occurred between the group and the Metropolitan Police Department on 3rd Street and Jefferson, N.W. as the police attempted to prevent the group from disrupting traffic on 3rd Street, N.W. The march was temporarily halted during the confrontation. At about 4:50 p.m., the march resumed and the group reached the west front of the U.S. Capitol shortly before 5:00 p.m. The group of about 250 persons held a short rally on the west front of the Capitol and at about 5:15 p.m. began their march back to the camp site. On July 4, 1974, representatives of the FBI observed small groups of individuals gathering in march lines at the area of the mall and 4th Street, N.W. At about 11:30 a.m. a group of about 500 persons began to march from the camp site toward the Lincoln Memorial. The group carried banners and signs which identified the group as members of the VVAW/USO, United Farm Workers, the Revolutionary Union, and the Revolutionary Student Brigade (RSB). This group was joined along the march route by similar groups as well as groups at the Lincoln Memorial. Upon arrival of all groups at the Lincoln Memorial, the size of the crowd was estimated at 1,000 persons. The groups arrived at the Lincoln Memorial at approximately 12:40 p.m. where they remained for a period of about 15-20 minutes prior to beginning their march to the Ellipse. Shortly after 1:00 p.m. the group began to reach the Ellipse where speakers were scheduled to appear. The group announced at the Lincoln Memorial that due to the time element, the speeches at the memorial would be cancelled. u

Shortly after 1:15 p.m., the majority of the VVAW/WSO group had entered the area of the Ellipse, 15th and Constitution Avenue, N.W. and afterward speeches were given by several speakers. However, there was no indication of the march until about 3:30 p.m. when the group began to leave the area of the Ellipse. The group in part marched peacefully back to the camp site at 4th Street and the mall arriving at about 4:00 p.m. There was no indication at that time that the VVAW/WSO group planned any additional activities, and, in fact, were packing for departure. U

Frequent checks on the mall area in the vicinity of the National Gallery of Art reflected no activity on the part of the YIP. Some YIP members were observed in the march to the Ellipse; however, sponsored activity on the part of YIP was not observed. U

The VVAW was formed in 1967 as an organization of Vietnam veterans to protest the American involvement in the war in Southeast Asia. In April, 1973, the group changed their name to VVAW/WSO so that non-veterans could become members. Current VVAW/WSO national officers are Marxist-Leninist oriented and strive to educate their membership in Marxist-Leninist doctrine. u

The AVM was formed in 1974 as an organization of former VVAW members. AVM is presently headquartered at 24½ Hurricane, Marina Del Rey, California, and reportedly has 35 chapters in the United States. The aims and purposes of the group are to obtain better benefits for veterans, to end bad conditions in Veterans Administration Hospitals, and to obtain the rewriting of laws pertaining to veterans' benefits. u

The Second American Bonus March Coalition was formed in June, 1974, as a coalition of the American Veterans Movement (AVM), the American G.I. Forum, and the National Association for Puerto Rican Civil Rights, for the purpose of demonstrating for better veterans' rights. u

The Revolutionary Union (RU) was founded in early 1968 and is a militant, semiclandestine organization. Its objectives, as set out in its publications, are the development of a united front against imperialism, the fostering of revolutionary working-class unity and leadership in struggle, and the formation of a Communist party based on Marxism-Leninism-Mao Tse-Tun thought, leading to the overthrow of the United States Government by force and violence. u

The Revolutionary Student Brigade (RSB), formerly known as the Attica Brigade, is a student based organization founded in New York City in the fall of 1971. The RSB considers itself to be an anti-imperialist organization which views "U.S.

imperialism as the main enemy of the people of the world". The RU has significantly infiltrated the RSB and plays a major role in the RSB policies, decisions and activities. *h*

The Youth International Party, also known as YIPPIES, is a loosely-knit, anti-establishment, violence prone youth organization formed in New York City, in January, 1968. In May, 1972, a small faction calling itself YIP-ZIPPIE came into being, but currently does not exist as an organized faction of YIP. *u*
